

# Request for Proposals

## 2024 Community Transformation Program

Wellstar Health System is accepting proposals from community partners for Cohort 5 of the Community Transformation Program. The request is for community partners who are focused on **the use of technology to increase access to health care and/or increase access to social determinants of health support services** for communities experiencing health disparities

*Applicants will first submit a notice of intent (NOI). Notifications of accepted NOIs will go out on October 25, at which point applicants will be asked to submit a full proposal. Full proposals will be due November 8.*
